### Senior Sessions.....\$159

We are quite excited to be offering “senior” portrait sessions. Quite popular in the US, this is starting to be a growing trend here in Canada. Sure there will always be “cap & gown” pictures but these special sessions are aimed to capture what the high-school senior is all about. Are you into music, then bring an instrument. Maybe sports - bring some equipment. Clothes - bring a bunch. You get the idea :).

The transition into adulthood is an exciting time and we want these sessions to be super fun and relaxed to really capture the senior’s personality. These sessions are aimed to make parents happy and friends jealous!

Include 7 fully finished digital files - choose from over 20 proofs.

\$50 deposit required to book - balance due at time of session.

### Grad Sessions.....\$199

Whether it’s grade 8 grad or high school prom, alone or with your BFF, We would be honored to capture the memories of that special time for you. Approximately 1 week after your session, we will have you in for a proofing session. At this time we will present you with approximately 30 images from your session for your review and purchasing.

At this time you have a choice of a digital file package with 5 images on disc or a \$150 print credit. If you have chosen the digital file package you will receive a link to special discounted print prices. After your viewing session, we will post an online gallery of your ordered images for 1 week to share with family and friends. All our images are printed at a professional lab, and your order is generally ready within 2 weeks.
